

Your Trusted Electronic Visit Verification Software

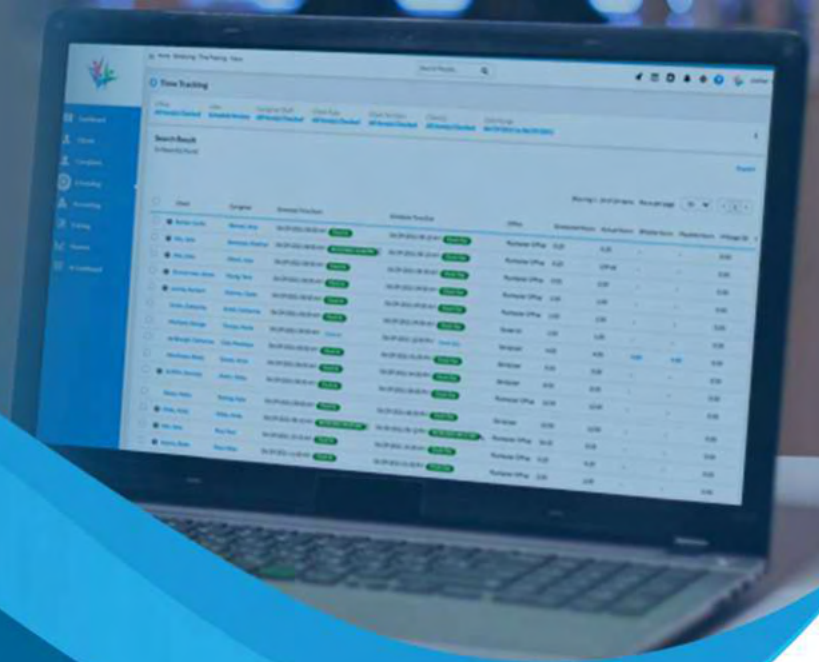

Comply with
your State's EVV
Requirements with
our GPS Mobile App
and Telephony
features.

Make Medicaid Claims + EVV Compliance Simple

CareSmartz360 is an all-in-one home care software integrated with various Electronic Visit Verification aggregators in different states to assist Medicaid-enforcing businesses in meeting their EVV Requirements.

- ✓ Obtain credible and compliant proof of caregiver visits
- ✓ Increase compliance while eliminating paperwork
- ✓ Captures accurate data for billing & payroll processing
- ✓ Generate date and time-stamped visit reports
- ✓ Maximize Medicaid reimbursements
- ✓ Create and view real-time schedule updates

CareSmartz360 EVV Solution

CareSmartz360's electronic visit verification solution is a compliant EVV system for home care businesses of all sizes. Our EVV solution offers GPS-Enabled Mobile App and Telephony features to help businesses achieve accountability, real-time verification, increased compliance, and streamlined operations.

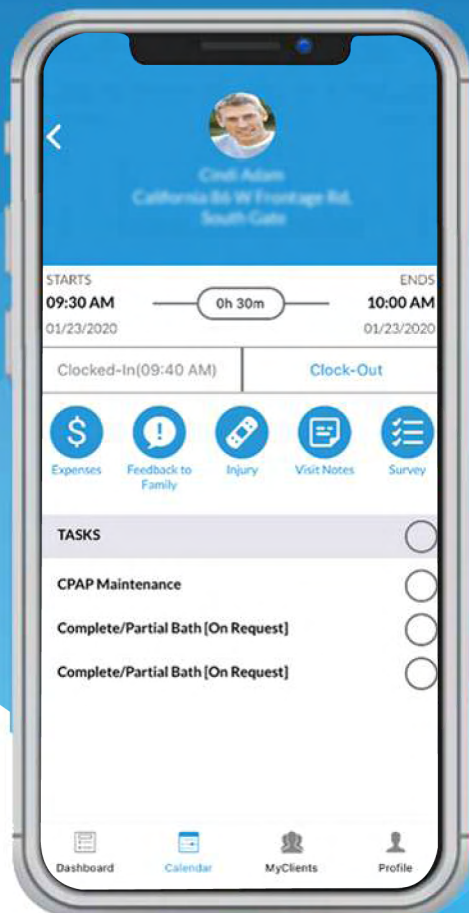

Smart Telephony

With our telephony feature, you can easily connect caregivers in the field with your agency staff and enable them to collect and digitize important elements of the visit:

- ✓ Caregiver clock in/clock out
- ✓ Mileage traveled/travel time
- ✓ Visit notes, details, and tasks
- ✓ Supplies consumed

GPS-Enabled Caregiver Mobile App

Available on Android and iOS

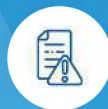

Electronic Visit Verification

Quick clock in/clock out and manage schedules on the go.

Multilingual Support

Effective communication and enhanced caregiver productivity.

Offline Mode

To improve data synchronization and prevent data loss.

One Dashboard

A single location to access details like care plans & route details, organize activities, and store data.

Care Specific Notes

Create and review care notes and document care plan tasks.

Get Alerts

SMS and Notification alerts regarding schedule, visits, open shifts, etc.

“ So far, I would highly recommend this software because I am very happy with it. It's convenient and user-friendly and has everything I need, from onboarding my staff and clients to keeping records of EVV, which the DOH now mandates.

Aldon
Administrator

#1 Home care management software to transform the way you provide care.
